*Hair Removal/Fotofacials
(equal or lesser value)*

Fotofacial-Intense Pulsed Light

Used to reduce the signs of aging and sun damage and restore natural beauty with no down time. The Fotofacial treatments consist of a series of 4-6 treatments. This series helps reduce redness and flushing, rosacea, diminish brown spots and blotchiness, and improve skin texture. Treatments are performed at 3 week intervals in order to improve signs of aging and sun damage.

Laser Hair Removal

Unwanted hair- nobody likes it, and nobody wants to have to deal with it. At Allen Aesthetics and Laser Center our goal is to provide the most technologically advanced techniques utilizing only the highest quality, state of the art equipment. Equally as effective for men and women, it works anywhere on the body, for all skin types. Laser hair removal can be achieved by precisely following the treatment protocol recommended by your technician. Not only can we remove your unwanted hair we can reduce/cure ingrown hairs and beard bumps.
